PML - Bound To Divide - Dreams Vol. 2

With the huge success of Dreams Vol. 1 Bound To Divide decided it was finally time to make a sequel. This time we went all out and made a whopping 124 presets and even included audio loops and MIDI files!

All presets are packed with subtle modulations to make them all feel alive and constantly moving.

Macros have been carefully filled out to help create even more movement and evolution. This preset pack is perfect if you want to make music in the style of artists on Anjunadeep, Colorize, Afterlife, All Day I Dream, Stil Vor Talent, Monstercat Silk, Sekora, This Never Happened, and more!

Contents:

- 23 Basses, 32 Leads, 20 Pads, 33 Plucks, 16 Sequences
- 91 MIDI Files
- 93 Melodic Loops

Royalty Free:

- Samples and Loops are always royalty free. You can use them in your professional and personal projects. See full license in the PDF “General License”.

Software required:

- Made with Xfer Serum 1.351
